

3rd June 2024

Dear Parent/Carer,

Please be aware that all students joining The Brittons Academy in September 2024 will require a maroon Essentials Polo with The Brittons Academy logo, as a compulsory part of their PE kit. These will be available to purchase from Havering Schoolwear.

The new polo shirt will be compulsory for all Year 7 students starting in September. Students moving into Years 8 to 11 in September may continue to wear a plain white t-shirt or, should they wish to, purchase one of the new PE shirts.

This change to our PE kit is the result of our own students requesting a kit that is smarter and more 'athletic' looking, after our increased engagement in inter-school fixtures and representation at both borough and county level competitions this year. Excellent standards of uniform is something we take very seriously at Brittons and we look forward to embedding these standards into all areas of the PE curriculum too, both in PE lessons and whilst representing the academy at sporting events.

Below is a reminder of the PE kits students should purchase ready for September 2024:

Plain black or white socks (can wear sports socks or trainer socks)
Plain black jogging bottoms or leggings
Essentials Polo with TBA logo
Sports trainers – no plimsolls or converse style shoes
Black shorts – (like the pictured shorts - no cycling shorts)
Optional all weather PE top – no other jumper will be allowed

Yours sincerely,

MRS. L. COSSEY-ATKINS
Assistant Principal
