Dear Parents/Carers,

As you are aware, we have closed the main car park between 8.00 a.m. and 3.30 p.m. during the Year 11 GCSEs. This has been very successful and has provided a much safer area for your children as they enter and exit the school. Consequently, we are going to make this a permanent arrangement. Please do not block the space just outside the gates as this is where your children can cross the road safely. We also have a number of students with complex medical needs who can depend on ambulance/paramedic care and therefore must have constant access to the site.

Additionally, I have been asked to bring to your attention the public consultation dates to help save Havering libraries, as I know a lot of families utilise these. Please see the attached leaflet at the end of this letter.

Thank you for your support with the entry and exit points.

Yours sincerely,

W Thompson
