20 December 2024

Dear Parents and Carers,

As we send our young home for the holidays, I could not let the term end without sending out a heartfelt thank you to you and your children for what has been a fantastic first term.

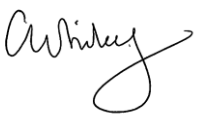
Since starting as Principal back in September, there has not been a day that has passed where I haven't felt immensely proud and privileged to be leading a school full of such kind, courteous and hardworking students. We started the year promoting our belief in 'Excellence in all that we do' and I am so proud of the many ways I see that belief upheld by our students every single day.

I hope students have enjoyed the final week of term with one of the busiest Christmas Dinners we have seen (thank you to our amazing Prefect Team for making it such a success!) and this morning's Celebration Assemblies in which so many student achievements were celebrated.

Finally, thank you to you, the parents and carers who work in partnership with us to ensure our children achieve their very best. Thank you for all your kind donations to our '1000 Acts of Kindness' campaign. Rainham Foodbank were thrilled to receive our donated items earlier this week and we will be making a further cash donation of over £400 courtesy of today's non-uniform day. I appreciate in our current cost of living crisis that these gestures of support are not always easy to make so this kindness is especially appreciated.

Wishing you all the best for the holiday and the new year and I look forward to welcoming all students back through the gates, normal time of 8.25 a.m., Monday 6th January.

Kind regards,



Mrs. Whiley
Principal
