3 July 2026

Dear Parents/Carers,

Our school Sports Day will take place this year on the school field on Friday 10th July.

ALL students, need to come to school in full PE kit during the day. This will enable any reserves to step into an event easily on the day. Sun hats and sun cream are strongly recommended.

Students will have normal lessons period 1 and are encouraged to purchase food at break time as there will be an early closure on that day and this will be the only scheduled break on that day (no lunch time). All students need to report to their form rooms period 2 and will be escorted out to the field for the main track races by their form tutor.

In the event of adverse weather conditions being forecast, parents will be informed the day before by Edulink and the Academy website of any changes to the arrangements.

Students should bring ample food and bottled water (no fizzy drinks) for the day. Please ensure that students who normally use medication, e.g., an inhaler, bring it with them from home unless alternative arrangements have been made with the Academy office.

Students' will be dismissed from the school field after the track races have been completed. We anticipate we will be finished at approximately 1.00 p.m.

As per the Government and Academy guidelines, students will not be allowed to use their phones.

Thank you for your support.

Yours sincerely,

Mrs. C. Whiley
Principal
